

Certificate of Achievement

—General Studies

This certificate is designed to provide exposure to a wide array of educational experiences. It allows students to pursue a variety of college courses and fulfill basic general education requirements; these courses may also be used towards an Associate degree or transfer program.

You must

- take the **General Requirement** Course below;
- complete courses from **Specific Requirements** from **Group I, II, and III** below;
- and complete **electives** (choose from the list beginning on page 23) for the required total of credit hours.

To receive Certificate of Achievement, you must complete a minimum of 30 credit hours, with at least 20 of the last 25 credits from Mott, and with a cumulative grade point average of at least 2.0. Credit hours (cr) and contact hours (ct) are not necessarily the same.
