Mott Community College is an institution that values and respects the richness that a diverse student and faculty population brings to our educational environment and our community. As part of an effort to ensure that, that diversity continues to thrive on our campus, and that threats to the equality of our students are both prevented and investigated should they occur, we include the following language on our College materials:

As an affirmative action/equal opportunity institution, the College encourages diversity and provides equal opportunity in education, employment, all of its programs, and the use of its facilities. The College does not discriminate in educational or employment opportunities or practices on the basis of race, sex, color, religion, gender, national origin, veteran’s status, age, disability unrelated to an individual’s ability to perform adequately, sexual orientation, or any other characteristic protected by law.
